Dear Parents & Guardians,

I am pleased to provide you with a copy of the St. Paul's Primary School, ***'2019 Parent Code of Conduct'***.

This code is provided to you with the belief that we, as a learning & teaching community, want the best possible learning & teaching environment for your children, for the staff of St. Paul's Primary School and for the families of our students.

As a Catholic learning & teaching community, we are in constant interaction with others; our day-to-day operations are all based on & in our relationships with one another. In support of the health of those relationships, this code is intended to act as a guide, as we learn & grow together.

Please take the time to read through the code and be familiar with its detail and expectations. As the adults in the children's lives, it is our duty and obligation to act as role models, in ensuring they see us in positive & rich relationship with one another. How we respond to other adults in our community, as well as to other children, will provide our own children with the correct way of 'being' with others. In so doing we provide them with 'the way' they should go about growing & developing their relationships & friendships with their peers and the other adults in their lives.

Thank you for your ongoing support, as we work together in ensuring rich, rigorous & relevant learning opportunities for your children.

I ask that you return the attached 'Acknowledgement & Acceptance' form, to your children's class teacher as soon as possible.
