## **eNEWS 2019 - Term 3 Edition 28**

Thursday 19 September 2019

Dear Community,

I would like to take this opportunity to wish all of you a restful Term 3 holiday break.

The children have made great progress throughout Term 3 and they are very much in need of a break. We are proud of their achievements and know that they have tried their best throughout the term. There is always room for further improvement and hopefully this is what we will see on our return to school in Term 4.

Thank you for your partnership with us as parent-educators & teacher-educators; without that healthy support at home and at school, your children would not achieve what they have achieved so far this year.

Term 4 is always a busy time at school and I have no doubt that next term will be no exception. With much learning & teaching to be done before the year's end, it will be a busy time for all of us. We will also be thinking about 2020, with planning & preparation for the new school year.

With so much occupying our minds, please take the holiday period to have a little 'down time', with family & friends. If you are travelling, please do so safely and if you, like myself, are staying close to home, enjoy the spring weather, at a slower holiday-pace.

Thank you again everyone, for all your support & positivity throughout Term 3.

## CHILDREN'S PRAYER

We thank you Lord, for this term;

for the challenges, the successes and the mistakes from which we have learnt.

Be with us as we spend our time with family and friends.

Give us strength and courage to do what is right; to be witnesses of our faith.

Help us to be a practical Christian these holidays, to appreciate what others  
do for us, to give time and effort to help others, to be peacemakers in our family.

Keep us safe in our activities; give us good rest and good fun.

Bring us back refreshed and ready for a new term.

We thank you for our classmates, teachers, parents and a community who care for us.

May we always be conscious of you in our lives.

***Amen***

## **CONGRATULATIONS TO THE 2019 OLYMPIAD TEAM!!!!**

This week we congratulate all Maths Olympiad members for completing their final exam paper for 2019. They have all managed to be committed in attending training sessions and doing their best in every Olympiad paper they have completed. I am very proud of our team and whilst we say goodbye to our Year 6s who are leaving us at the end of the year, I hope they will continue to share their passion for Maths into high school and beyond.

Next term Mrs Calvano will be running training sessions to look for new members for the 2020 team. So if you are in Grade 4 or 5, you like to be challenged and you are a confident learner in Maths, then come and try out our training sessions and see if it is something you would like to be part of in 2019.
