February 2020

Dear Parents & Guardians,

Thank you for considering Saint Paul's Primary School as a school for your child.

St. Paul's Primary School is one of two Catholic primary schools, in the local Catholic parish of St. Mary of the Assumption.

Catholic education is intrinsic to the mission of the Catholic Church. It is one means by which the church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teachings, as well as a lived appreciation of membership of the Catholic Church.

Parents and guardians, as the first educators of their children, enter into a partnership with the Catholic school to promote and support their child's education. Parents and guardians must assume a responsibility for maintaining this partnership with the school by supporting the school in furthering the spiritual and academic life of their children.

As a Catholic school, we are central to the Catholic Church and its mission to make Christ known to the world. As a Catholic school, we live out the Gospel message of love & acceptance, in all our interactions; acknowledging that ***Christ lives in all of us*** (St. Paul's Primary School, 'Vision Statement').

St. Paul's Primary School stands as a proud and aspirational Catholic learning community, wherein all its members (students, staff, parents & guardians) are considered lifelong learners, engaged in rich & rigorous learning programs and opportunities. At the core of our learning is the community's Education in Faith; Christian values and a rich Religious Education Program, support our students in coming to 'know, worship and love' their faith, in a supported & guided learning environment.

St. Paul, our patron, was a teacher for his time; he wrote to the people of Phillipi (modern-day Greece), that *"We can do all things with Christ who strengthens us"* (Philippians 4:13). As a Catholic school, our way is the way of Christ, our strength is in the strength of Christ and our inspiration is in the unconditional love of Christ.

'It takes a whole village to raise a child' (Old African Proverb); with this ancient proverb in mind, the St. Paul's learning and teaching community, places immense value upon the importance of the parent-educator / teacher-educator partnership. Communication between the school and the home is seen as vital and must be two-way; parent-teacher conversations are encouraged and are informal & formal in nature. Communication is essential in ensuring your children are engaged as learners, in a safe & informed learning environment.

The Victorian Curriculum underpins all our academic programs and is the mandated curriculum program for our children. Supplemented by Catholic Education Melbourne's 'Horizons of Hope' Education Framework, as well as its 'Coming To Know, Worship & Love' Religious Education Framework, our children are encouraged to come to 'know & love' their faith and to always aspire to be the best they can be, in all aspects of the curriculum, as well as in their involvement in the parish community and the local & wider communities.

As you face one of the most important of decisions for your child, that is, which school you should enrol them in, be assured that St. Paul's Primary School, recognises every child as unique, capable of achieving their best and encouraged to be their best.

In a safe and secure learning and teaching environment, all members of the St. Paul's 'family', engage with one another within our School Wide Positive Behaviour Framework, where the wellbeing of every community member is of the highest priority. Your child's safety is of the highest priority at St. Paul's; this is clearly & concisely articulated in our 'Statement of Commitment to Child Safety', wherein we state that, ***St. Paul's Primary School prioritises the safety and wellbeing of all children in our care. We work with diligence and intent to protect them, prioritising their safety and wellbeing at all times and in every situation.***

As a teacher-educator of some forty years, learning is my passion and your children are my priority. I work with a staff team who, through their commitment, dedication and passion, come to school each day, to ensure your children are happy and safe, and as a consequence, are open to learning.

Every child is unique and learns in different ways and at a different pace. Learning at St. Paul's is individualised and personalised, with learning plans designed to ensure every child's needs are considered and catered for. The dreams and aspirations you have for your children are acknowledged and supported in their realisation by the enthusiasm and experience of a staff team, who are here for your children and your children only. Our 'School Essence Statement' is explicit in this regard, stating that, ***'Like Christ, we believe in valuing each individual for who they are and who they can be.'***

You are most welcome to attend an Information Session & School Tour at 9.30 am on Monday March 23 2020 and an Information Session only at 7.00 pm on the same day. These sessions will allow you the opportunity to hear about our school (9.30 am & 7.00 pm) and view its facilities and amenities (9.30 am).

Enrolment Explanatory Statement

1. Preamble

Catholic education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church.

Parents and guardians, as the first educators of their children, enter into a partnership with the Catholic school to promote and support their child's education. Parents and guardians must assume a responsibility for maintaining this partnership with St. Paul's Primary School by supporting the school in furthering the spiritual and academic life of their children.

2. Enrolment

You are required to provide particular information about your child during the enrolment process, both at the application stage and if St. Paul's Primary School offers your child a place. **Please note that lodgement of the enrolment application does not guarantee enrolment at St. Paul's Primary School.**

To meet school and government requirements, you will need to provide St. Paul's Primary School with a completed enrolment form including, amongst other things, the information listed below.

<ul style="list-style-type: none">▪ evidence of your child's date of birth, e.g. birth certificate, passport	<ul style="list-style-type: none">▪ information about the language(s) your child speaks and/or hears at home
<ul style="list-style-type: none">▪ religious denomination	<ul style="list-style-type: none">▪ Immunisation History Statement (showing whether your child has been immunised against diphtheria, tetanus, polio, measles, mumps, rubella, whooping cough and haemophilus influenza type B)

<ul style="list-style-type: none">▪ names of emergency contacts and their details	<ul style="list-style-type: none">▪ medical information about your child (for example, does the child suffer from asthma, diabetes, allergies, poor eyesight/hearing, a diagnosed disability, etc.) and details of any medication that St. Paul's Primary School will be requested to administer to the child or health/attendant care needs.
<ul style="list-style-type: none">▪ specific residence arrangements	<ul style="list-style-type: none">▪ information on additional learning needs (for example, does your child require additional support in relation to mobility, language, social skills development, welfare needs, challenging behaviours, adjustments to the curriculum, etc.)▪ parenting agreements or court orders, including any guardianship orders

After lodgement of this application, school staff may need to request further information from you, for example in relation to any parenting orders, medical conditions or additional learning needs that you have noted on the enrolment form. In addition, it is often useful for parents/guardians to attend a meeting with school staff prior to enrolment to discuss any additional needs your child may have. An interpreter may be organised, if you require it.

Subject to any special exercise of discretion by the Parish Priest, the following list provides an agreed order of priority for enrolment in our school, which is consistent with the enrolment policy for all Catholic primary schools in the Melbourne Archdiocese.

The order of priority is:

- ***Catholic children who are residents of the parish;***
- ***Catholic children who do not reside in the parish but are recognised as parishioners by the Parish Priest;***
- ***Catholic children from other parishes (for pastoral reasons);***
- ***Children from non-Catholic Eastern churches who reside in the parish;***
- ***Children from non-Catholic Eastern churches who reside outside the parish;***
- ***Other Christian children who reside in the parish;***
- ***Other Christian children who reside outside the parish;***
- ***Non-Christian children who reside in the parish; and***
- ***Non-Christian children who reside outside the parish.***

3. Fees

The setting of fee levels and other compulsory charges in Catholic primary schools is the responsibility of St. Paul's Primary School, taking into account the allocation of government funds. St. Paul's Primary School offers a number of methods for paying fees to reduce any financial burden and to assist financial planning. If you have difficulty in meeting the required fee payment, you are welcome to discuss this with the Principal of St. Paul's Primary School.

The fees must be paid for a child to enrol and to continue enrolment at St. Paul's Primary School. St. Paul's Primary School has discretion whether to allow a child to participate in optional or extracurricular school events, such as paid school excursions or extracurricular activities, while fees remain due and payable.

4. Enrolment under minimum school entry age

The minimum starting age for a child to be enrolled in a Victorian school is four years and eight months, i.e. a child must turn five by 30 April in the year of starting school. St. Paul's Primary School will make an assessment of a child's readiness for school when considering the enrolment of a child under the minimum age. Enrolment under minimum school entry age is not encouraged.

In the rare situations where:

- a parent/guardian seeks enrolment of a child under the minimum starting age; and
- the Principal supports the enrolment of that child at St. Paul's Primary School if approval were granted,
- the approval of the Executive Director of Catholic Education is required before enrolment under the minimum starting age can occur. Approval for early age enrolment will only be granted in exceptional circumstances.

5. Terms of enrolment regarding acceptable behaviour

St. Paul's Primary School is a community that exemplifies the gospel values of love, forgiveness, justice and truth. St. Paul's Primary School community recognises that everyone has the right to be respected, to feel safe and be safe and in this regard, understands their rights and acknowledges their obligation to behave responsibly.

Every person at St. Paul's Primary School has a right to feel safe, to be happy and to learn, therefore we aim:

- to promote the values of honesty, fairness and respect for others;
- to acknowledge the worth of all members of the community and their right to work and learn in a positive environment;
- to maintain good order and harmony;
- to affirm cooperation as well as responsible independence in learning; and
- to foster self-discipline and to develop responsibility for one's own behaviour.

St. Paul's Primary School administration, in consultation with the St. Paul's Primary School community wherever appropriate, will prescribe standards of dress, appearance and behaviour for the student body.

As a term of your child's enrolment, parents and guardians are expected to comply with St. Paul's Primary School's behaviour aims and St. Paul's Primary School's Code of Conduct, and to support St. Paul's Primary School in upholding prescribed standards of dress, appearance and behaviour.

Unacceptable behaviour by a child, or repeated behaviour by a parent or guardian that, in St. Paul's Primary School's view, is unacceptable and damaging to the partnership between parent/guardian and school, may result in suspension or termination of the child's enrolment.

6. Terms of enrolment regarding conformity with principles of the Catholic faith

As a provider of Catholic education, St. Paul's Primary School Principal will take into account the need for St. Paul's Primary School community to represent and conform with the doctrines, beliefs and principles of the Catholic faith when making decisions regarding matters of school administration, including enrolment. Pupils and families who are members of other faiths are warmly welcomed at our school. However, St. Paul's Primary School reserves its right to exercise its administrative discretion in appropriate circumstances, where it is necessary to do so to avoid injury to the religious sensitivities of the Catholic school community.

7. Terms of enrolment regarding provision of accurate information

It is vitally important that St. Paul's Primary School is made aware of each child's individual circumstances insofar as these may impact upon his or her physical, functional, emotional or educational needs, particularly where St. Paul's Primary School is required to provide additional support to the child.

Parents and guardians must provide accurate and up to date information when completing an enrolment form and must supply St. Paul's Primary School, prior to enrolment, any additional information as may be requested, including copies of documents such as medical/specialist reports (where relevant to the child's schooling), reports from previous schools, court orders or parenting agreements. Provision of requested documentation is regarded as a condition of enrolment, and enrolment may be refused where a parent/guardian has unreasonably refused to provide requested information or knowingly withheld relevant information from St. Paul's Primary School.

Where, during the course of a child's enrolment, new information becomes available that is material to the child's educational and/or safety/wellbeing needs, it is a term of the child's continuing enrolment that such information is provided to St. Paul's Primary School promptly.

The provision of an inaccurate residential address or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.

8. Enrolment for children with additional needs

St. Paul's Primary School welcomes parents/guardians who wish to enrol a child with additional needs and will do everything possible to accommodate the child's needs, provided that an understanding has been reached between St. Paul's Primary School and parents/guardians prior to enrolment regarding:

- the nature of any diagnosed or suspected medical condition/disability, or any other circumstances that are relevant to the child's additional learning needs (for example, giftedness or an experience of trauma);
- the nature of any additional assistance that is recommended/appropriate to be provided to the child (for example, medical or specialist care or equipment, specialist referrals, specific welfare support, modifications to the classroom environment or curriculum, aide assistance, individualised educational programs, behaviour support plans or other educational interventions as may be relevant);
- the individual physical, functional, emotional or educational goals that are appropriate to the child, and how the parents/guardians and St. Paul's Primary School will work in partnership to achieve these goals; and
- any limitations on St. Paul's Primary School's ability to provide the additional assistance requested.

The process for enrolling students with additional needs is otherwise the same as for enrolling any student.

As every child's educational needs can change over time, it will often be necessary for St. Paul's Primary School to review any additional assistance that is being provided to the child, in consultation with parents/guardians and the child's treating medical/allied health professionals, in order to assess:

- whether the additional assistance remains necessary and/or appropriate to the child's needs;
- whether the additional assistance is having the anticipated positive effect on the child's individual physical, functional, emotional or educational goals; and
- whether it remains within St. Paul's Primary School's ability to continue to provide the additional assistance, given any limitations that may exist.

9. Assessment and updates

Various opportunities are provided during the year to let you know your child's progress. You will receive two comprehensive written reports each year, and arrangements will be made for at least one meeting where you can discuss your child's progress with the teacher. In addition, you can always contact St. Paul's Primary School to arrange a meeting with the teacher if you have concerns or wish to have an update on progress.

10. Privacy Policy

St. Paul's Primary School collects personal information, which includes sensitive information such as health information, about pupils and parents/guardians both before and during the course of a pupil's enrolment at St. Paul's Primary School. This may be collected from parent/guardians or from the pupil or from others.

The primary purpose of collecting this information is to enable St. Paul's Primary School to provide schooling for your child. Some of the information we collect is to satisfy St. Paul's Primary School's legal obligations, particularly to enable St. Paul's Primary School to discharge its duty of care.

Where personal information is given to St. Paul's Primary School in confidence, it will not be disclosed without authority of the parent/guardian or person providing the information. Only staff who 'need to know' and have authorisation from the Principal will be given access to the relevant information.

Certain laws governing or relating to the operation of schools require that certain information is collected. St. Paul's Primary School may also ask you to provide medical reports about pupils from time to time and may collect health information about them in the course of providing schooling and if they receive a health service through St. Paul's Primary School.

St. Paul's Primary School handles the personal information of pupils and parents/guardian that it collects and holds in accordance with the Commonwealth *Privacy Act 1988* and the Australian Privacy Principles in that Act. St. Paul's Primary School also handles any health records of pupils and parents/guardians that it collects and holds in its records in accordance with the *Health Records Act 2001 (Vic)* and the Health Privacy Principles in that Act.

St. Paul's Primary School from time to time discloses personal and sensitive information to others for administrative and educational purposes. This may include other schools (including for secondary school application and enrolment purposes), government departments, the Catholic Education Office, the Catholic Education Commission, our local diocese and the parish, other dioceses, medical practitioners and people providing services to St. Paul's Primary School, including specialist visiting teachers, sports coaches and volunteers.

Personal information collected from pupils is regularly disclosed to their parents/guardians. On occasion, information such as academic and sporting achievements is published by St. Paul's Primary School and other local news providers. Permission and consent is sought from a parent/guardian (and from the pupil if they are aged 15 or over) for photographs and videos that may be taken of the pupil to be used and published for certain purposes (through annual completion of the Photograph/Video Permission Form). Photographs and videos may then be used and published for the permitted purposes without further notice being provided. Any permission and consent given may be withdrawn by the parent/guardian or pupil (if they are aged 15 or over) by notifying St. Paul's Primary School.

Parents/guardians may seek access to and request correction of personal information collected about them and their son/daughter by contacting St. Paul's Primary School. Pupils may also seek access to and request correction of personal information about them. However, there will be occasions when access to personal information is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of St. Paul's Primary School's duty of care to the pupil or where pupils have provided information in confidence.

St. Paul's Primary School from time to time engages in fundraising activities and will also communicate with you about events or offers which St. Paul's Primary School consider relevant including in newsletters or fliers. Your information may be used for these purposes. It may also be disclosed to organisations that assist in St. Paul's Primary Schools fundraising activities solely for that purpose, e.g. the St. Paul's Parents Group. St. Paul's Primary School will not disclose your personal information to third parties for their own marketing purposes without your consent.

If you provide St. Paul's Primary School with the personal information of others, such as doctors or emergency contacts, you should only provide information that St. Paul's Primary School requires and we encourage you to inform them that you are disclosing that information to St. Paul's Primary School and why.

St. Paul's Primary School has a Privacy Policy which explains how it manages personal information that it collects and holds and which sets out what kind of personal information St. Paul's Primary School generally collects and how, the purposes for which the information is used and disclosed by St. Paul's Primary School, to whom the information may be disclosed (including overseas) and how privacy complaints can be made and are handled. We encourage you to read and be familiar with this policy and to ask St. Paul's Primary School if you have any questions. It is available on St. Paul's Primary School website or you can ask St. Paul's Primary School for a copy.
